WORSHIP AT NEW CAMPUSES

CHRIST COMMUNITY TODAY

Five campuses and a Multisite Office

WHY NOW?

SHAWNEE CAMPUS

- The Shawnee Campus is experiencing significant growth, with Sunday services consistently full, including four services on Easter 2025.
- This growth has led to a space shortage, with only one area available for Adult or Student Ministries gatherings on Sunday mornings.
- Many Children's Ministries classrooms are reaching capacity on Sundays.
- The original design allows for doubling the space at a reasonable cost and a relatively fast timeline.

WHAT'S NEXT?

LEAWOOD CAMPUS

- The existing multipurpose space was never intended to be a permanent Worship Center.
- Leawood has supported the launch of multiple churches and campuses since 1989.
- The church is called to create a place to share God's beauty with the community, and it is time for a dedicated Worship Center for this campus.
- This expansion will serve to address current and future growth and will be catalytic in reaching new people for Christ.

BROOKSIDE CAMPUS

- The Brookside Campus has limited space for Adult and Student Ministries gatherings on Sunday mornings and Children's Ministries classrooms are regularly at capacity.
- Parking remains a significant, persistent issue that challenges accessibility of the campus.
- Exploration of opportunities and strategies to best address the needs of the Brookside Campus are in process.
