CHILDREN'S MINISTRIES DEVOTIONAL
JANUARY–MARCH 2026

How to use this devotional

Each week there is a Scripture passage to engage with as a family along with suggestions for prayer, worship, and activities. There is absolute freedom in the way you choose to use this devotional with your family. The Children's Ministries Team has provided ideas and examples to get you started, but if you discover a way your family loves to practice any of the sections, feel free to do that every week instead!

Books of the Bible

We are learning the books of the Bible this year! Each week, you'll have the opportunity to learn a few books in order until you've memorized them all. The entire church family will also be working on this throughout the year.

Prayer

We recommend beginning your time together with prayer. Start by entering into the presence of God! A sample prayer is provided to help guide you, but feel free to pray in the way that is most natural for your family. You might begin by using the provided prayers, and as you become more comfortable, you can offer your own. Consider inviting older children to lead the prayer as they grow familiar with the routine. Encourage everyone to say "Amen" together—including little ones who are just learning to speak!

Worship

Scan the QR code to access the worship music playlist.

Some weeks, a specific song or theme may be highlighted that connects to the week's focus. There are so many creative ways to engage in musical worship and make it part of your family's routine—use the playlist on your devices at home, listen while in the bath or in the car on the way to school. Even better, have a dance party in the kitchen! The possibilities are endless!

Bible Reading + Questions

Read the Scripture provided for the week and answer the questions. Leave time for your child(ren) to ask their own questions. Use your family Bible or a children's Bible.

Activities + Games

The game or activity is to help children learn the main idea of the Scripture in an interactive, hands-on way. You can do this right after the Bible reading and discussion time, or save it for another day to reinforce the lesson and deepen your family's learning experience.

Memory Practice

This is a family-friendly way to practice the memory element together. There are many ways to do memory work, so feel free to use what works best for your children's ages and stages!

Blessing

Consider ending your time together with a blessing. This can be a blessing for the whole family or given individually to each person. We've provided a sample blessing to help you get started, but feel free to personalize it by incorporating Scripture or meaningful words of your own.

Encourage the children to hold their hands out in front of them—raised or with palms open—as if they're ready to receive a gift. Let them know they can simply listen and receive the blessing as you speak it over them.

The word Shema means to "hear" or "listen" in Hebrew.

This quarter the whole church family is memorizing Deuteronomy 6:5, also called the **Shema**. Each week there will be an activity to help with this memorization.

Shema is a special word because it means to hear and do at the same time!

Think of it like this: when you ask your children to listen, you don't just want them to hear the sounds, you also want them to do what you've asked.

The **Shema** is all about listening to God's words and then doing what they say!

The **Shema** is a famous prayer from the Bible that the Israelites would say every single day. They said it to remember two important things: to love God with all their hearts and to love others, just as God loves us.

Love the Lord your God with all your heart, with all your soul, and with all your strength.

God created YOU in HIS image!
What is one thing that is special about you?

Challenge: Why would God ask questions to Adam and Eve that he already knew the answer to? What does this tell us about God?

Prayer

Lord God, thank you for loving us and teaching us through your word. Help us to know you more as we read this Scripture today. We confess to you that we are sinners and we need your forgiveness. Thank you for your "never stopping, never giving up, unbreaking, always and forever love".

In Jesus' name, Amen.

Activity

Using Play-Doh (or drawing on paper), create a beautiful garden and act out the story from Genesis 3 with Play-Doh people, dolls, or action figures you have at home.

Tip: If you have younger kids, try using *The Jesus Storybook Bible* "A New Beginning", or break it into smaller sections as designated each day.

What do the people do in this story?
What does God do?
What is a covenant? What covenant does God make with his people?
Do people always keep their promises or covenants? Does God?

4. Say "We can't possibly count all the stars, but God's promise to Abraham was for a family so big it's like all the stars in the whole sky! God's promise was huge and unbelievable. But he fulfilled his promise!"

What were the names of Isaac and Rebekah's twin sons? (Esau and Jacob)

What did Jacob do to get the blessing Isaac meant to give Esau?

How do you think Esau felt when Jacob tricked their father?

Be with us now. Amen.

Blessing

Numbers 6:24-25 (ESV)

Activity

Two Truths and A Lie

Each player starts by secretly thinking of three statements about themselves or a given topic. Two of these statements must be entirely true, while one must be a believable lie.

Players take turns sharing their three statements out loud, in any order they choose, aiming to trick the rest of the family. The other players then discuss and guess which statement they think is the lie. Once a guess is made, the player reveals the truth.

Anyone who correctly guesses the lie earns a point, and the game continues with the next person taking a turn to share their three statements.

The goal is to highlight how easy it is for a convincing lie to be hidden among several truths—just like when Jacob mixed truths with deceptions to get Isaac's blessing!

Ask: "Why was it hard for us to guess the lie in the game?" "Were there consequences to Jacob lying? What were those consequences?"

February
Week 7

Worship

Listen to the song "Way Maker" by Shout Praises Kids.

Take a line or a theme from the song and turn it into a prayer. For example, if the song says, "You're love never fails, it never gives up" you could pray, "Lord, thank you that you love us always and that you never stop loving us. Please help us to love others like you have loved us."

Memory Practice

Say the verse with your actions multiple times. Try saying it in different voices each time. Say it fast, slow, like a whale, whisper, or shout!

The Shema

Love the Lord your God with all your heart, with all your soul, and with all your strength.

Deuteronomy 6:5

Books of the Bible

Continue memorizing the next five books of the Bible:

Joshua
Judges
Ruth
1 Samuel
2 Samuel

Add them to what you have already learned.

Bible Reading + Questions

Read Genesis 37:2–5, 26–27 and Genesis 50:16–21 about Joseph.

Why were Joseph's brothers upset with him?

What special present did Joseph's dad give him?

What did Joseph do to help his brothers?

How has God helped you?

Prayer

God, thank you for being here with us. We invite your Holy Spirit to lead us today. Help us understand more about how you save us. Help us remember you are with us even when things are hard. In Jesus' name, Amen.

Blessing

Our God, who loves you, is with you! He is mighty to save and will never leave you. May you always trust him.

Activity

Heart of Forgiveness

1. Give each family member a piece of paper and have them draw a large, simple heart. Tell them this heart represents their feelings.
2. Discuss Joseph's brothers' actions in Genesis 37. Have everyone crumple their paper heart tightly into a ball. This represents the pain and anger of being sinned against.
3. Next, ask them to unfold and smooth out their paper heart.
4. Point out that even though they smoothed it out, the wrinkles (scars) are still there. Read Genesis 50:20. Joseph forgave, but the hurt and memory of the sin were real.
5. Using a marker, have them trace the creases (the scars). Now, color the space between the creases with a bright, beautiful color. Explain that forgiveness doesn't erase the hurt, but it does allow God to fill the space around the pain with new life.

February
Week 8

Worship

Listen to the song "Way Maker" by Shout Praises Kids.

Use or create simple instruments like shakers, sticks or even homemade drums (like a pot and a spoon), and add your own beat to the song.

Memory Practice

Create a song or beat to sing the verse. Clap, stomp, use instruments, or just sing!

The Shema

Love the Lord your God with all your heart, with all your soul, and with all your strength.

Deuteronomy *6:5*

Now you know 10 books of the Bible in order! Genesis, Exodus, Leviticus, Numbers, Deuteronomy Joshua, Judges, Ruth, 1 Samuel, 2 Samuel.

Bible Reading + Questions

Read Exodus 12:21–28.

Tip: For added context watch *Jesus Storybook Bible* video "He Rescues" on YouTube.

The people were saved because they obeyed God's instructions. What does this tell us about God?

What does this story teach us about how much God loves us?

Can you remember a time when our family was going through something difficult or scary? How did we trust God to help us?

Prayer

God, thank you for being with us today. Help us focus and listen to your Holy Spirit. Please show us your power during our time together and help us understand more about who you are. We love you!

In Jesus' name, Amen.

Blessing

God sees you, loves you, and is more powerful than any situation you will ever face! May you always trust him, and may you see him do powerful things in your life!

Activity

Hunt for "Signs"

Explain that the blood on the doorposts was a special sign for God.

Challenge the family to go on a "sign hunt" around the house or outside. Find signs that tell you something important.

Examples:

- A stop sign (tells us to stop danger)
- A fire alarm (tells us we are in danger and need protection)
- A cross or special artwork (tells us about faith and God's promises)

Discussion:
Ask: "How was the blood on the door a sign? What was the important message of the sign?"
(Answer: The message was a promise of protection and deliverance).

Let this be a project for your family that becomes a rhythm of living out the commandments set before us.

You might decide to volunteer or support one of our campus ministry partners. That information is found on the church website:

Help us to remember everyday that you are holy. Amen.

Blessing

May you always remember that God is **G**racious and forgiving. Jesus is our **O**nly Savior. He is **A**bsolutely perfect and **T**otally amazing.

Activity

G-O-A-T Basketball

To play G-O-A-T, you first need to determine the shooting order for all players. Create a basket using a trash can or bucket and wadded-up balls of paper. Choose a starting spot to shoot from.

The game begins with the first player shooting from the chosen spot. If they miss, the next player shoots from anywhere until someone successfully makes a shot.

The player who makes the first shot then sets the spot and style for the subsequent players to copy. From this point on, all other players must attempt the exact same shot from the exact same location. If a player misses the required shot, they earn the next letter in the word G-O-A-T.
The game is played as an elimination contest: once a player spells out G-O-A-T, they are out of the game. The game continues until only one player remains, and this final player is declared the winner!

March
Week 11

Worship

Listen to "Love the Lord" by Shout Praises Kids.

Memory Practice

Say the verse out loud together once a day this week.

The Shema

Love the Lord your God with all your heart, with all your soul, and with all your strength.

Deuteronomy 6:5

Books of the Bible

Memorize the next six books of the Bible:

1 Kings
2 Kings
1 Chronicles
2 Chronicles
Ezra
Nehemiah

Bible Reading + Questions

Read Numbers 12–14 and summarize these passages for your children.

Help them draw out the themes of what it looks like to have faith—even when we are fearful of where God may be taking us.

What are some things that you are afraid of?
What are things that give you big faith?
What happened when the Israelites didn't have faith in God?

Prayer

God, you are mighty and powerful. Even though there are many things to fear in this world, there are also many images of beauty and love that you created! Help us to be brave when we feel afraid and to always trust you. In your heavenly name, Amen.

Blessing

May you go in peace knowing that your faith in God makes you stronger than any giant or fear! May you always look to God for guidance and remember that your family is a gift of strength that will always be there for you.

Activity

Faith vs. Fear

Take a large piece of paper and fold or draw a line down the middle. Label one side "Faith" and one side "Fear". On the "Fear" side, draw or write down the fears mentioned during the Bible reading and discussion. Talk about how to help each other overcome that fear with faith. Draw images or write Scripture of hope and light on the "Faith" side that can help overcome our fears. Reference this poster to your family whenever fear creeps into your daily life.

Examples:
Fear: Eating lunch alone at school, or not being asked to be part of a group activity, needing a friend.

Faith: Hope can be found in remembering that God knows your name and what you need. Your personal Comforter is at that lunch table with you, concerned about your feelings of being alone or left out. The Creator of the universe, and you, knows what you need and will bring what you need at the right time. The Son of God is your friend and wants to have you as his friend.

What does loving God with your whole heart look like?

How can we love God more with our whole selves?

Parents/Guardians: What is a favorite or important thing you have learned about God or your faith? As the primary discipler for your children, tell your kids these stories as you lean into Deuteronomy 6:7.

Write down ways you can use your mind to think about God (read the Bible, pray, learn more about what it means to be a Christian).

- Soul: (The belly and core)

Write down ways you can use your life or identity to worship God (service, kindness, good choices in behavior and friends).

- Strength: (The hands, arms, and legs)

Write down ways you can use your energy and actions for God (do chores, work hard at school, help a neighbor).

Stand around the finished outlines and pray over them, thanking God that he wants every part of your family's lives.

March
Week 13

Worship

Listen to "Love the Lord" by Shout Praises Kids.

Memory Practice

Pick up the Memory Practice Activity from the Children's Ministries desk this week. Complete it together as a family.

The Shema

Love the Lord your God with all your heart, with all your soul, and with all your strength.

Deuteronomy 6:5

Books of the Bible

Memorize the next six books of the Bible:

1 Kings
2 Kings
1 Chronicles
2 Chronicles
Ezra
Nehemiah

Now you know 16 books of the Bible in order!

Bible Reading + Questions

Read Deuteronomy 31 together.

What would you do if you were in Moses' shoes?

Would you trust Joshua?

The Israelites were scared of the giants in the land. Think of a "giant" challenge your family is facing right now
(a move, a sickness, a big project).

What specific phrase in this chapter would you shout to that "giant"?

Prayer

Father, help us to be humble and remind us of your goodness. Help us to remember that we don't have to do everything on our own. Thank you for teaching us how to do that in your word. Thank you for showing us that being in charge isn't the only way we can follow you. Amen.

Blessing

Deuteronomy 31:6–8
As you remember our Scripture, may you be strong and courageous. The Lord is the one who will go before you. He will be with you; he will not leave you or abandon you. Do not be afraid or discouraged.

Activity

The Promised Land Obstacle Course

Setup & Materials: Use household items (pillows, chairs, blankets) to build a path with 3–4 obstacles (the Wilderness), marking a clear end point
(The Promised Land).
Prepare two items:

- **The Law Scroll:** A rolled-up paper containing funny instructions for each obstacle (e.g., "Sing a song before you cross the blanket river").
- **The Encouragement Card:** Write on a card "Be strong and courageous... The Lord goes before you" (Deuteronomy 31:6, 8).

How to Play:

- The Commission: "Moses" (a parent) gives the Law Scroll and the Encouragement Card to "Joshua" (child leader).
- The Journey: Joshua leads the family through the course. When they reach an obstacle, they must stop and open the Law Scroll to find the instruction. The family must follow it to pass.
- Courage: If anyone is afraid or frustrated, the family can pause and read the encouragement card aloud before moving on.
- Victory: Complete all obstacles and reach the Promised Land together! Celebrate by drinking milk with honey!
